

# Make Cute Children Watercolor Animation

## About This Gig

Hi Customer! How was your day? We hope you are always blessed! In this gig we will create for you an animation like the example in the gig portfolio above. This animation can loop, please let us know first so we can do the loop. (If there is no request, then the animation will not loop) You can use this animation as social media content, advertisements, personal animations, video cover needs or so on. If the duration given for the gigs is still not enough, you can discuss it with us and add an extra duration. Here are the details you will get:

### 1. Basic

You will get :

- 15 Seconds Animation
- 1 Character (9 axis movement)
- 2 Revision
